

Exhibit 1**Amended and Restated List of Assumed Executory Contracts and Unexpired Leases**

All contracts and leases listed in this schedule include any and all amendments, addenda and schedules to such contracts and leases. Neither the exclusion nor the inclusion of any contract or lease in this schedule, nor anything contained in this schedule shall constitute an admission by the Debtors that any contract or lease is in fact an Executory Contract or Unexpired Lease, or that any Debtor has any liability thereunder. This schedule remains subject to ongoing review and revision by the Debtors in all respects. The Debtors reserve the right to alter, amend, modify, or supplement this schedule at any time before the Effective Date, or any such other date as may be provided for by the Plan or by order of the Bankruptcy Court, including to add or remove any contract or lease to or from this schedule. Nothing in this schedule: (a) is intended or shall be deemed to constitute an admission as to the validity of any claim against the Debtors or their estates; (b) shall impair, prejudice, waive, or otherwise affect the rights of the Debtors or their estates to contest the validity, priority, or amount of any claim against the Debtors or their estates; or (c) shall impair, prejudice, waive, or otherwise affect the rights of the Debtors or their estates with respect to any and all Claims or Causes of Action against any third party. The Debtors expressly reserve the right to contest any Claim asserted in connection with assumption or rejection of any contract or lease and to assert and bring any Avoidance Action or Cause of Action relating to any contract or lease against any third party at any time.
